

OAK Character Boiserie Linear brushed natural oil
[E1EBBKN-WPM]

HIGH-CONTRAST CLASSIC

Boiserie Linear

The milling penetrates the top layer, revealing the black core layer as a contrast. Additional longitudinal milling in the gaps with subtle grooves enhances the space-expanding effect of the planks.

The clean, linear design is ideal for elongating room heights and accentuating areas within the interior.

OAK Vulcano Boiserie Reserve brushed white oil
[E1VUBKW-WPF]

PARTICULARLY IN DETAIL

Boiserie Reserve

Inspired by the wine labeling tradition, especially for premium wines labeled 'Reserve,' this variation offers a subtle appearance. The fine milling deepens the top layer without piercing through to the core layer.

This creates an interplay between the refined top layer and the second wood layer, adorned with delicate grooves.
